Osprey Watch

This tour provides an ideal opportunity to see the Lake District Ospreys during Mating Season with several vantage points close to the nest site on the west shore of Bassenthwaite Lake. The adult birds regularly search for fish and can be seen around both Bassenthwaite Lake and Derwentwater. There is also a Video Link to the nest site at the Whinlatter Visitor Centre as well as a lay-by on the A66 adjacent the nest site and a viewing platform near the Mirehouse Tearooms on the east side of the lake.

Tour Notes

This is our most cost-effective tour for couples and small size groups and is offered as a scenic panoramic tour with numerous opportunities for photographs and is the perfect option for the landscape enthusiast.

However, we do not provide lunch and generally recommend that persons taking this tour either bring a packed lunch or that we stop off at the sandwich shop in Keswick before starting the tour where a wide selection of sandwiches and baguettes are available freshly made to order from 8.00am.

This option gives us the chance to find a picturesque beauty spot to enjoy lunch al fresco often in a secluded location away from the usual tourist blackspots.

Optional Evening cruise on Derwentwater –
Departing at 7.30pm from 26 May to 10 September
